VIOLA P. MILLER, ED.D.  
SECRETARY

Dear Potential Foster and/or Adoptive Parent:

We are so glad to hear from you! Thank you for your interest in the Foster Care and Adoption programs with the Kentucky Cabinet for Families and Children (CFC). We have enclosed a brochure and several flyers to help answer some of your questions.

There is an ongoing need in Kentucky for families willing to share their hearts and their homes with children who require temporary foster care. There is also a tremendous need for "forever" families for our waiting children who are available now for adoption. Your local CFC Department for Community Based Services office will be happy to assist you as you begin the process.

Thank you again for your interest in Kentucky's waiting children. We need people who will "dare to love."

Sincerely,

A handwritten signature in cursive script that reads "Viola Miller".
